Rules

- * Each person picks 1 EPL team each week
- * Picks cannot be reused (for example, if Chelsea is selected in Week 1, they cannot be used again in any of the following weeks)
- * If the team you select wins, then you move on to the next week (a draw or loss eliminates you from the pool)
- * The last person 'standing' wins the pool

Last Items

- * In the event that the last competitors are eliminated in the same week, the prize pool will be divided up, equally, between the individuals
- * In the event that the competition last until all of the teams have been used up, the individuals can reuse the first 5 teams they picked (but only once each)
- * Once the pool is down to 10-15 people, we will begin planning for the startup of new LMS pool and an email will be sent to inform all former and new participants
- * Each week, the standings will be updated and sent out to all participants, via email, and posted at the Bramalea Rangers Club
