MARCH 2011 NEWSLETTER

PRESIDENTS REPORT

Our secretary has something against a coloured newsletter, once he goes on his two month holiday The Don and I will get the colour fixed. That I promise.

Some work has been completed at the club with a major thanks to Shug Gilmour he set the projector and replaced tiles in the main club as well as in the kitchen, Shug has another two ongoing projects as I write one being the bar top with the other clearing upstairs so we can safely work up there. Alex Morrison and Rick Stark have made improvements to the T.V. video & audio equipment which we also give a big thank you. There is many jobs needing attention within the club and at our next members meeting I intend to have the to do list and if you can do or assist please let us know as it is important that your club is kept in tiptop shape.

The group of six ladies that is are still busy working away for the good of the club, with the next function being Tartan Night on the 2nd of April the official Tartan Day is the 6th of April however that is a Wednesday and that would not suit us. Gentlemen this is another opportunity to get the kilt on and have your lassie all happified with you for being so braw and help celebrate the declaration of Scotland, Mr. Jim Convery will have a few words to say about the declaration how it came about etc. Jim Bogan has already ordered the tickets Ina so no need to phone me Saturday morning on the day of the event. (lol.) This will be a sit down meal served once again to your table, Zorro's does not have a look in when we get the club transformed and the service you receive.

Rangers deserve all the credit for a fine display of football and composure on there C I S insurance league cup win it was good to see how they could dig deep and play well along with good temperament which they needed to have and display. Congratulations and every success in the future.

Once again it is with a heavy heart I pass our condolences onto a members family in the persons of Margaret Evans and Neil Westwater with the recent loss of husband and father in-law Bobby Evans. For those who remember his famous trick of hypnos with the ash we say thank-you and smile. R.I.P. Bobby.

NEXT MEETING

MAR 27 AT 2:30 PM

SECRETARY'S REPORT:

Rangers certainly gave us all something to cheer about when they beat Celtic in the League Cup Final. It was a great day at the club, now we can concentrate on winning the League. Wouldn't that be a celebration.

The bus trip to Seneca Casino was a real fun day, we all had a great time, even a few winners, and a wee sing-song on the way back, Gordon Brown done an excellent job and deserves a lot of credit for his work for our club.

It is with a sad heart that I report Bobby Evans has passed away after a short illness. Bobby was a good friend as well as my partner in Dominos. I am sure you will join me and this Executive in passing on our heartfelt condolences to the entire Family circle.

Please remember to let me know of any news or information you would like passed on and mentioned in the Newsletter.

This Executive continues to try, successfully up to now, to arrange functions at the Club, so please support these functions, and if you have any ideas you think may be successful, please pass on your ideas

The most important thing for all of us is our Club. The things we all can do to keep it successful is entirely up to us all. So any input you may have whether positive or negative, will help our Club to continue in this direction.

Noel Fitzgerald Secretary.
