PRESIDENT'S REPORT: Please see page two for information regarding our 25th anniversary.

All is going well, by the time you read this newsletter Rangers will have won the league cup, qualified for the semis of the Scottish Cup and still ten points ahead of Celtic heading for another league title, at last the universe is back in order. (Was there ever any doubt.)

I would like to thank Linda Wilder for taking over the cleaning of the club on an interim basis while we waited for tenders, there were two in total. When the time limit was up the committee decided to award Linda for the period of the contract which ends Feb-1-2011, keep up the good work Linda.

At the last committee meeting we discussed replacing the ceiling tiles, it would be an expense that we could greatly reduce by doing the labour ourselves, at the same time we would upgrade the lighting and overhead projector screens, it would take a lot of members to donate their time but we do have 203 members, so surely we could get enough bodies far a day to do the job. It would really spruce the place up for our visitors.

We will be receiving new shirts into the club next week, we got some for the bartenders and committee members last week. Gordon Kennedy got a sharp deal on the prices and looks forward to Rusty coming home so they can work on some inventory for the club.

Hope this newsletter finds everyone healthy and happy.

Alex Morrison
President

SECRETARY'S REPORT:

The Donald and the Bride were away on vacation so I have therefore been left to do this newsletter. The Donald says the vacation has been well earned, if you know the Donald I will leave you to come up with your own conclusion on that statement.

My favorite barfly as he was once referred to (Rab Cole) had some work done on his eyes and I could not help but think when he goes to the doc and he tells him no alcohol for one week the shock alone must have improved the vision. However to be the fly on the wall when he goes to get the op. and the doc says can you come back next week. (LOL)

On page two of the newsletter you will see we have some good events coming up and a weekly event is the Euchre and Bingo, this is spearheaded by Noel Fitzgerald who is also the bingo caller. As much as the event is getting popular we need more bodies, so please join us on a Friday night, starting at 8pm for some harmony and refreshments.

Another event we have is the Ran-Cel golf tournament, which will be held on July-31-2010 this could be another event for our members and visitors coming to attend the 25th anniversary, Aug-7-2010.

Next membership meeting will be March-28-2010 at 2.30pm sharp. Please remember this is a members only meeting and the door will be close tyled.

Secretary.

NEW MEMBER:

The membership would like to welcome Jason Oakden as the newest member of the Bramalea club.

Welcome Jason.

CONDOLENCE:

We the membership would like to pass on our condolences to Cathy & Davy Shanks and family on the loss of Cathy's dad Duncan Macleod. Who passed away March-11-2010

"We feel your loss"

HEALTH AND WELLNESS:

We would like to pass on our best wishes for a speedy recovery to Tommy Gil-mour who lost an argument with a ladder. Mr. Buckie Swain spent some time in hospital and now recuperating at home. A special mention for Fraser Wilson who will be receiving a new chest zipper this week. A wee Geordie update, he is coming on fine and as crabbit as ever not because of health but he has no spice for the sausages. Can someone please help us.

DOMINOES:

There are only six scheduled games left to the end of the season. At the top league there are only three points separating the top two teams so it would appear that it is a very tight race to the finish. With Jackie and Andy leading the way. (Who would believe it.) Guess who is at the bottom of the league. If you guessed Noel and myself you would be right. We do have fun and with Noel writing a book I am sure this life changing experience will be in it. Noel is also a great singer and at the banquet he will surely give us a number or two.

25th ANNIVERSARY:

It is hard to imagine that our club has been in existence for twenty-five years, so to commemorate the occasion we have booked the Holiday Inn, Bramalea City Centre for Aug-7-2010. Information on prices and entertainment etc. will follow, there will also be a meet and greet at the club on the Thursday with entertainment on the Friday evening leading up to the event with the possibility of a Rangers game thrown in for good measure, again more information to follow with tickets being released A.S.A.P.

Best Regards, Alex.
